Join YSURA for a guided tour of the incredible Norman Rockwell American Scouting Collection at the Medici Museum of Art. Featuring Norman Rockwell originals as well as Boy Scouts of America-themed works by other artists, this marks the first time in history that all 65 of Rockwell's scouting paintings have been displayed at the same place and time.

A second exhibition is also available for viewing—the 2021 Biennial Juried Exhibition, presented by the Ohio Art Council's Riffe Gallery. Selected from nearly 1,800 entries, the exhibition features contemporary works from Ohio's Top 50 artists.

Please be prepared to follow any guidelines for masking and social distancing.
